Gentlemen: I rec'd your  
card from a gent. at World's  
Fair who had charge of coin  
exhibit at Gov't Bldg. I have  
two old coins that I wish to  
dispose of. One of them is English  
dated 1779. The other is dated  
I think, 1832, but I can not  
be positive as the date is not  
plain. I do not know the nation-  
ality. On the face, or the margin  
of the face side rather, of the English

Coin are the words Carolus III  
Del Gratia and on the other side  
are several letters and figures.  
The other I shall not now  
attempt to describe. I would  
like also to know what a  
silver one cent piece of 1862  
(U.S.) is worth. As you request  
I enclose a stamp. Please  
send me what information you  
can.

Yours Resp<sup>y</sup>
